Dear Mr. Drenkow:

We received your copies of books and software relating to the Bible, the Science & Technology, and the Social Science Departments.

I let the other departments review the materials and software but they are not interested in buying these materials. I mailed those back to you on the 27th of February.

However, this department is purchasing the software package and also wants to order as follows:

" THE CONSTITUTION OF THE UNITED STATES"-----18 @ \$10 each as per your letter of December 7, 1994.

Therefore, I am enclosing a check in the amount of \$190.00 toward purchase of the same and for the software of the Constitution of the U.S., also priced at \$10.

We will be anxious to receive these as quickly as possible since one of our professors is currently teaching Constitutional Law and the students need the book for their assignments.

Thank you very much for your offering them to us at a 50% discount.

Sincerely yours,

Jean Martin, Secretary
Social Science Department

Enclosure: Check in the amount of \$190
