

BARRY GORDON

FROM LEFT FIELD

**A Live Call-In Talk Show on Politics, Culture, and Entertainment ...
All with a Clear Tilt to the Left!**

Doug,

On Sunday, August 27, I will be joined again by author/actor/activist **Ellen Snortland** to discuss the issues of the day with some terrific guests.

In the first hour, my guest will be none other than **John Dean**, in his second "Left Field" interview, who will talk about his powerful new book, "**Conservatives Without Conscience.**"

In the second hour, my guest will be yet another current bestselling author, **Ron Suskind**, who will talk about his newest book, "**The One Percent Doctrine: Deep Inside America's Pursuit of Its Enemies Since 9/11.**"

And in the third hour, I will host a "roundtable discussion" about the one-year anniversary of Hurricane Katrina and its aftermath with several notable residents of The Crescent City: Grammy-winner **Terence Blanchard**, who worked on Spike Lee's new documentary "When the Levees Broke"; legendary vocalist **John Boutte**, who will sing with Stevie Wonder and others at the "One Year Later" concert in the New Orleans Arena this week; and **Stacey Tallitsch**, author of "The New American Compact" and Democratic candidate for Congress.

All that plus your chance to call in and join in the conversation, at **1-800-809-0802**.

For more information about the issues and our show, visit and bookmark our website, **www.BarryGordonFromLeftField.com**, and my blog, **BarryTalk.com**.

I hope you'll listen in and phone in Sunday from 1 to 4 p.m. Pacific Time, 4 to 7 p.m. Eastern Time, and encourage your family and friends to do likewise.

It's a whole new ballgame!

Barry Gordon

P.S. If you miss the show, don't miss the **podcast**. *Listen to, or download, our shows -- on just about any computer -- whenever it is convenient for you!*

- **Broadcast** live on **KCAA 1050 AM** in Southern California
- **Webcast** live on **www.kcaaradio.com** worldwide
- **Podcast** on demand from the show **archives** or with RSS subscription **XML**
