Dear Mr. Smith:

I respect you as a patron of the arts in the Los Angeles community. Please allow me to introduce myself and my services, which may be of value to you or to someone in your personal or professional life.

I am an emerging artist. Please accept this invitation to visit my on-line gallery at **WWW.DOUGLASHDRENKOW.COM**

“...pleasing to the eyes...and to the heart...”
— Oscar D’Ambrosio, *Brazilian Art Critic*

My fees are near the national median for professional artists painting original portraits with archival quality materials. I paint to the satisfaction of my clients and subjects.

“I was honored and flattered by his work...”
— John Van de Kamp,
Former Attorney General of California

I would be happy to show you my complete portfolio, with photographs of my subjects and their portraits, as well as several of my actual paintings, in the convenience of your home or office.

Please contact me if you would like to discuss the creation of an original, handpainted portrait. It would be my pleasure and honor to do justice to you or your family, friends, or colleagues!

Thank you for your attention,

Douglas Drenkow

“...Katie is thrilled & enchanted. Her mom too.”
— Maureen M.
