Hurricane Katrina: Indexed Quotations etc.

**A Blog Entry in Comments From Left Field,
With Reference to a Special Section of *Progressive Thinking***

September 6, 2005

The following links will take you to a special section of *Progressive Thinking*

[<http://douglasdrenkow.com/progressivethinking/KatrinaIntro.htm>], where you will find scores of quotations, articles (in whole or part), and links on these topics ...

- [Scope of the Disaster](#)
- [FEMA: Incompetence & Lack of Credibility](#)
- [Security: Coast Guard, National Guard, & Iraq](#)
- [Flood Prevention: Army Corps of Engineers, Levees, Wetlands, & Global Warming](#)
- [Political & Economic Fallout](#)

... quoting noted columnists, government officials, and everyday citizens in such sources as the *New York Times*, the *[New Orleans] Times-Picayune*, and CNN.

Don't let the dead and homeless be forgotten.
America deserves much better.
